Welcome to Salisbury Uniting Church Church Anniversary Service Shared Lunch to follow

Happy Anniversary Salisbury!

Today we celebrate and remember the God who has called us to be family. The one who formed us, who has forgiven and saved us, the one who has done great things in our midst.

168 years ago our humble church started in John Street. 168 years is a long time. 168 years of living and sharing the good news of Jesus. 168 years of lives being transformed. 168 years of serving the local community.

On days like today I can't help but wonder what God will do next. He has been faithful to bring us to this point and he will be faithful to guide us to his future.

What is your hope for our church? What God dreams do you believe he has given you?

God bless,
-Nick

Kids at Church:

For our young people we know that it is vital for their faith formation to join together with the whole church. For the beginning of our service all kids are invited to stay in the church sanctuary.

During our service the Worship Leader will indicate the time for the pre-school & primary school aged children to head into the Conference Room for their activity.

A sign in and out form will be made available each Sunday for families participating in Kids Ministry.
