Welcome to Salisbury Uniting Church Generous Pt 1

For the next two weeks we're going to look at generosity as a church. When we look at the life of Jesus we see generosity at every point.

Generous in giving his time, his energy, his attention. Jesus was in the business of loving people and showing them the abundance that can be found in the kingdom of God.

The vision of the kingdom can stand in stark contrast to the scarcity that we can experience, feel or know in our day to day lives.

I love how Paul frames his life in his letter to the Philippians. He says that 'I have learned in whatever situation I am to be content.' Paul knew what it meant to live life on the edge and yet he knew that he could have a contented heart.

God bless,
-Nick

Kids at Church:

For our young people we know that it is vital for their faith formation to join together with the whole church. For the beginning of our service all kids are invited to stay in the church sanctuary.

At 9am:

During our service the Worship Leader will indicate the time for the pre-school & primary school aged children to head into the Family Retreat & Conference Room for their activity.

At 11am:

During our service the Worship Leader will indicate the time for school aged children to collect activity folders for use during the service.

Activity Folders:

A small area has been set up in the church sanctuary for families to use on Sundays.

A sign in and out form will be made available each Sunday for families participating in Kids Ministry
