## Welcome to Salisbury Uniting Church

### The Art of Neighbouring

The great commandment of the Bible is to "love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbour as yourself."

This week we're going to focus on the second part of the command; to love our neighbours.

Across the churches of Salisbury in October we're going to be looking at how to be good neighbours. How exciting! Together with our Anglican, Lutheran, and other Uniting Church brothers and sisters we're hoping to see a movement of Christians loving their neighbours, knowing their neighbours and being like Christ to their neighbours.

God bless,  
-Nick

### Kids at Church:

Kids at Church: During school holidays we won't have our normal children's ministry program.

During these weeks the Family Retreat room is available at any time to settle a child or for nappy changes. This room has the service audio so you won't miss a thing. Otherwise children will remain in the church for the whole service. Activity folders (colouring in etc.) for children can be found on the kids tables near the organ in the church.
