## Welcome to Salisbury Uniting Church Faith for Exiles Week 3 (Lent) - Cultural Discernment

After being people who experience a deepening relationship with Jesus resilient disciples develop the muscles of cultural discernment.

In our complex and anxious age we go to the truth of God and use wisdom to navigate our accelerating culture.

Culture is not something to be afraid of or to judge unnecessarily. For we all swim in the culture of our world. Jesus lived in a culture and so do we. There are elements of our culture that are of the kingdom of God, and there are elements that are not of God.

Cultural discernment adopts a posture of humility knowing that God guides, God speaks and God is in control.

God bless,  
-Nick

### Kids at Church:

For our young people we know that it is vital for their faith formation to join together with the whole church. For the beginning of our service all kids are invited to stay in the church sanctuary.

During our service the Worship Leader will indicate the time for the pre-school & primary school aged children to head into the Conference Room for their activity.

A sign in and out form will be made available each Sunday for families participating in Kids Ministry.
